

## **SPONSORSHIP LEVELS**

### **(GROUP BUILD & MONETARY)**

Join the many companies, corporations, faith and community groups, and other groups large and small, give back to the community, one family at a time. United in the goal of helping those in need, sponsors at every level get to see each other at their best on a **Habitat build or repair project**. We invite you to join us as we work in partnership with people in need everywhere, helping them to secure decent, safe, and affordable shelter.

Sponsorship donations are appreciated at any level and provide a number of opportunities and benefits to participants, including tax deductions, high-voltage public relations, and a permanent positive effect on morale.
